Some projects require beyond-the-box solutions. The Gasket Shop by Paramount Supply Company specializes in working with clients to create prototyping to production runs developed from samples, printouts, custom dimensions, and everything in between. Established over 30 years ago, the Gasket Shop has the industry knowledge to tackle any challenging project with in-house CAD design and CAD services available. Industries served: Industrial, Trade and OEMs, Pulp and Paper, Transportation, Food Processing, Oil and Chemical, Construction, Utility, Electronics, Brewing, and many others. Get it right the first time with Paramount Supply Company!

We Cut Gaskets, Not Corners.
