

## Tools for the Professional **New!**

# Model 425 2 1/2" Tristand Chain Vise

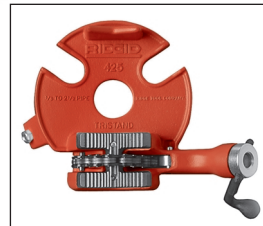

### Designed for Portability!

Ridge Tool has made your work a little easier. Introducing the new 425 Tristand Chain Vise. The Model 425's lightweight and compact design make it extremely portable and perfect for service applications.

The Model 425's versatility and compact design features give the professional everything needed to get the job done, no matter how difficult it may be.

### Model 425 Tristand Features:

- **Portability:** The integral handle makes transporting easy. It also allows for opening and closing the unit in one simple motion.
- **Lightweight Design:** At only 30 lbs, the new Model 425 is over 25% lighter than its 6" counterpart.
- **Self-Locking Latch:** The locking latch automatically engages when closing the stand. This added convenience eliminates the need for a leg chain.
- **Compact Work Surface:** Ideal for pipe applications ranging in size from 1/8" - 2 1/2". The work surface is equipped with two tool holders. The compact size also allows the vise to easily be stored in service trucks and job boxes.
- **Stability:** The exclusive bent legs are designed to increase stability and reduce tipping.
- **Durability:** The Model 425 is the most durable and reliable 2 1/2" tristand and is backed by the RIDGID Full Lifetime Warranty.
