T-211-Y - Globe Valve - Bronze, PTFE Disc, Threaded Ends

The NIBCO® bronze globe valve is recommended for bi-directional service in commercial and industrial applications, including hot and cold water, HVAC, steam, compressed air, gas and other general utility services. Please refer to NIBCO technical data sheets, chemical resistance guides and catalogs for engineering and installation information. Choose NIBCO® globe valves for the most specified, versatile and economical valve option in commercial, mechanical and industrial applications. NIBCO® **more**
